SEAT COVER KITS & ASSEMBLIES

Our trimmers have created a range of seat covers and fully assembled seats that are a unique combination of concours detailing, flute placement and correct stitching that makes our seat covers & assemblies excellent quality and good value for money.

The range faithfully replicates the original production colours with contrasting piping as required. We also offer our Custom Deluxe range of interior trim for those looking to personalise their MGB in a wide range of colours, see pages A80-81 for details. Please contact us for a free material sample swatch.

Seat covers colour swatch

Note: We make every effort to match colours as closely as possible. However, older trim materials discolour over time and we cannot guarantee matching existing or other manufacturer's colours. If you are replacing a complete interior please order all kits at the same time for an 'as close as possible' colour match.

MGB ORIGINAL TRIM COLOUR OPTIONS

Colour options - Roadster & GT (1962-69)

Between 1962 and 1969 MGB seats were available in the following colours, with leather as an optional extra. Trim kits were manufactured in vinyl and colour matched to seats.

Year	Colour	Piping alternatives
1962-68	Black	Red, White, Blue
	Red	Black, White
	Blue	Blue
1969	Black	Black
	Mushroom*	Mushroom*

*Note: Mushroom was a very rare colour option and is no longer available.

Colour options - Roadster and GT (1970-76)

From 1970 to 1976 the MGB's interior trim was changed. Leather was discontinued as an option and seats were supplied in Basket Weave vinyl or nylon cloth depending on year, see seat details. The standard colour was black, with options of: Autumn Leaf, Navy Blue and Ochre. The colour options used from 1970-76 were:

Year	Standard	1st option	2nd option
1970	Black	Autumn Leaf (late '70)	
1971	Black	Autumn Leaf	
1972	Black	Navy blue	Autumn Leaf
1973	Black	Navy blue	Ochre
1974-76	Black	Ochre	

Colour options - Roadster and GT (1976-80)

1976 saw a split in trim styles between RHD and LHD markets. All RHD cars were produced with black trim panels with 'Deck Chair' seat covers. LHD cars were produced with matching colour seats & trim.

Year	1st option	2nd option
1976-80	Silver/Grey	Brown/Orange
1976-78 LHD	Black	Autumn Leaf
1978-80 LHD	Black	Beige

Type 1: Roadster (1962-68) and GT (1965-68) front seat covers and assemblies

For these early cars we are able to offer a choice of complete seat assemblies or seat cover kits. The complete seat assemblies are supplied in pairs and trimmed on new frames with leather seating faces and vinyl non-seating faces, they also include new diaphragms, back boards and foams. Runners are not included. Seat cover kits are available with either leather seating faces or all vinyl and include covers for a pair of seats. Foams, diaphragms and other fittings are all sold separately.

Type 2: Roadster and GT (1969) front seat cover kits

This style of seats was fitted for one year only, and is of a reclining design with leather facings. Nearly all cars were trimmed in black, but a few vehicles were manufactured with a mushroom coloured interior, this colour option is no longer available. We offer a range of alternative colours to special order, please see website for full details. The same seats were used in Roadster & GT models. Cover sets are available with either leather or vinyl seating faces and are also available for USA spec cars with 2 pole head rests. Please see website for details.

Type 3: Roadster (1970-72) and GT 1970 front seat cover kits

In 1970 the interior trim was revamped by MG, which had by now become part of British Leyland, using vinyl trim throughout for both Roadster and GT models. The reclining seats have fluted centre panels embossed with a basket weave design. The outer panels were of plain vinyl. During this period the colour range was expanded with the addition of autumn leaf, navy blue and ochre. Basket weave material is becoming unavailable in certain colours, we offer a range of alternative seat covers to suit these models. Please see pages A80-81 for details.

641-522

Type 4: GT (1971-72) front seat cover kits

This seat was unique to the MGB GT, and was introduced at the same time as the advent of the 'plasticrome' mouldings on the door trim panels. The seat covers had outer panels of vinyl, with fluted centre panels of brushed nylon.

Seat cover kit - vinyl/fabric, autumn leaf	636-162	£279.50

Note: For our range of alternative Custom Deluxe seat cover kits to suit these seats please see pages A80-81.

636-172

Type 5: Roadster (1973-76) front seat cover kits

This style of seat is vinyl faced and was fitted to the Roadster models only. It has embossed centre panels, with heat welded stitching across both these and the outer panels.

Seat cover kit - vinyl, autumn leaf	641-592	£314.40
Seat cover kit - vinyl, black	641-562	£314.40

Note: For our range of alternative Custom Deluxe seat cover kits to suit these seats please see pages A80-81.

641-562

Type 6: MGB GT (1973-76) front seat cover kits

This style corresponds to the type 5 Roadster seat, but has a facing panel of brushed nylon material with double stitching across the centre and outer panels. The options of navy blue, and ochre, were discontinued in 1974, although they can be used to trim later seats if the colour is preferred.

Seat cover kit - fabric, autumn leaf	641-687	£302.90
Seat cover kit - fabric, black	641-682	£302.90
Seat cover kit - fabric, navy	641-617	£302.90

Note: For our range of alternative Custom Deluxe seat cover kits to suit these seats please see pages A80-81.

641-622

Type 7 Roadster and GT (1976-80) RHD front seat cover kits

When the interior was changed to include door panels with large circular markings following the sweep of the window winder handle, the last style of seat cover with multi-coloured facings was introduced. These cars were affectionately known as deck chair models, the seats being supplied in either silver/grey or orange/brown combinations. The same seats were fitted to both Roadster and GT models. The original 'deck chair' material is no longer available.

Seat cover kit - fabric, orange & brown	636-175	NCA
Seat cover kit - fabric, silver & grey	636-185	NCA

Note: For our range of alternative Custom Deluxe seat cover kits to suit these seats please see pages A80-81.

636-185

Type 8 Roadster and GT (1976-80) LHD front seat cover kits

When the MGB interior for the UK market was updated, the USA market was given a new design of vinyl embossed facings with cross stitching across the whole face of the seat.

Seat cover kit - vinyl, autumn leaf	641-632	£302.80
Seat cover kit - vinyl, beige	641-527	NCA

SEAT FOAMS & DIAPHRAGMS

There is sometimes confusion concerning cushions and squabs. We refer to the cushion as the part you sit on and the squab as the back rest foam. We strongly recommend that if you are retrimming your seats with one of our seat cover kits you should use new foams and diaphragms. This will give the seat more comfort and a better shape.

INTERIOR TRIM KITS

As with our seat cover kits our trimmers have created a range of trim kits that feature concours detailing, accurate stitched piping and correct welded patterns as original. The range faithfully replicates the original production colours with contrasting piping as required with the vinyl carefully trimmed onto accurate die cut boards. We also offer our Custom Deluxe range of interior trim for those looking to personalise their MGB in a wide range of colours, see pages A80-81 for details. Please contact us for a free material sample swatch.

Note: In 1974 re-designed door boards and seals were introduced for both Roadster and GT models. The size of the door board was reduced and the seal section was enlarged to allow the seal to act directly on to the door frame, this reduced both wind noise and water ingress. The only seal available is the later 'larger' section type, therefore, we produce all 1970-On door panels to the later specification.

Roadster trim kits contents

- 1 pair door panels
- 1 pair front kick panels
- 1 pair rear quarter panels

- 1 rear bulkhead panel

Interior trim kits - Roadster and GT (1976-80)

In 1976, the MGB's trim went through its final development. A different heat formed design was introduced. The style is easily distinguished by the circular pattern outlining the sweep of the window winder handle.

Black was the only colour available to the UK, whereas the USA market also had the choice of autumn leaf and then latterly, beige. These kits can be interchanged with the black UK kit if so desired. The door panels have the markings for speaker holes stamped in them, though the backing board is left intact for those owners who do not wish to fit speakers.

CARPET SETS

Premium carpet kits

Our premium range of carpet kits are manufactured to exacting standard from high quality carpet to give a perfect fit & finish to your MGB's interior. They are easier to install as the gearbox tunnel carpet is moulded with a flexible felt backing, contouring the gearbox tunnel perfectly. All sections of the carpet are die cut for accuracy and where required are felt backed to maintain shape and help reduce cockpit noise. Where required carpets are bound with a stitched vinyl edging which gives a smart finish to footwell and floor carpets

Standard carpet kits

Our standard carpet kits are manufactured from good quality carpet but do not have a moulded gearbox tunnel section. All carpet pieces are supplied flat without underfelt backing, edges are bound with braiding (where originally bound). Kits also include separate pieces of underfelt to go under the gearbox tunnel and footwell carpets. These carpet kits require more trimming, particularly around the tunnel, but give a nearer original look.

All our carpet kits have full carpeting for all areas of the car including floors and sills, which were originally covered by rubber mats. The sets do not include the moulded rubber starter motor cover, these are available separately. They are manufactured by skilled trimmers cut and sew our carpet kits using precise templates and patterns to ensure that the components accurately fit car.

Carpet sets colour swatch

Note: We make every effort to match colours as closely as possible. However, older trim materials discolour over time and we cannot guarantee matching existing or other manufacturer's colours. If you are replacing a complete interior please order all kits at the same time for an 'as close as possible' colour match. Material swatches available on request.

CUSTOM DELUXE INTERIOR TRIM

As many owners of later MGBs often want to personalise the appearance of their interiors, we offer our Custom Deluxe interior trim range. These high quality seat cover kits and trim panel kits can be used with the appropriate colour carpet kits (see page A78) to enhance the interior of your MGB.

Seat cover kits

Our Custom Deluxe seat cover kits feature a vertical, stitched pleating design on padded leather seat faces giving a feel of true luxury, with the sides and back panels made from our high quality vinyl.

These seat cover kits are manufactured to exacting standards to give stylish alternative to original seat designs. Front seat kits include covers for both front seats including headrest covers to suit either 'D' or Oval headrests. Rear seat kits include squab and base covers with fittings.

Note: These seat covers are designed to fit our Type D seat foams (see page A71), which fit all 1970-on reclining seat frames. Therefore, owners looking to upgrade 1970-73 seats must change the foams too.

TRIM PANEL KITS

Our Custom Deluxe trim panel kits feature door panels with a smart vertical stitched pleat design and a piping detail above the armrest. Manufactured from high quality vinyl they are designed to complement our custom deluxe seat cover kits.

Note: We make every effort to match colours as closely as possible. However, older trim materials discolour over time and we cannot guarantee matching existing or other manufacturer's colours. If you are replacing a complete interior please order all kits at the same time for an 'as close as possible' colour match. Material swatches available on request.
